Organisational Context

Organisational Overview:
Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

Our Legal Entities:
SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women’s and Children’s Health Network, Country Health SA Local Health Network and SA Ambulance Service.

SA Health Challenges:
The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian’s have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/Division/Department:
Supporting rural and remote South Australians to be healthy, the Country Health SA Local Health Network (CHSALHN) is committed to partnering with individuals, communities and staff to deliver high quality, high value health care that enhances the lived experience of rural and remote South Australians and their carers and families. The CHSALHN is committed to enhancing the satisfaction and promoting the talent of its workforce. The CHSALHN is part of SA Health and oversees the rural public health system in South Australia. We are transforming health care and delivering health benefits so that rural and remote South Australians lead healthier lives. We provide acute health services to over 94,000 people and a further 175,000 people annually at country emergency departments. Our network incorporates 65 hospitals and 240 health services sites, and employs 7,925 people. We are accredited with the Australian Council on Healthcare Standards for four years until 2015. The CHSALHN works with the Country Health SA Local Health Network Health Advisory Council and the 39 country Health Advisory Councils to provide industry leadership and administer the rural public health system in South Australia. Health Advisory Councils are consultative bodies that advise the Minister for Health and Ageing to provide a more coordinated, strategic and integrated health care system to meet the health care needs of South Australians.
Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

> We are committed to the values of integrity, respect and accountability.
> We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
> We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The Code of Ethics for the South Australian Public Sector provides an ethical framework for the public sector and applies to all public service employees:

> Democratic Values - Helping the government, under the law to serve the people of South Australia.
> Service, Respect and Courtesy - Serving the people of South Australia.
> Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
> Accountability- Holding ourselves accountable for everything we do.
> Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
