Job Specification

Primary Objective(s) of role:

The Pain Management Unit provides services to Flinders Medical Centre, a tertiary referral centre providing services to the Southern Adelaide Region, the State of South Australia and neighbouring areas of other states. The Unit is responsible for the education of medical students and trainee medical officers and for the conduct of research.

Essential core features –
- To provide clinical services of the highest possible standard to patients referred to the Pain Management Unit both in terms of individual performance and by contributing to a multi-disciplinary approach to the delivery of patient care
- Active involvement in teaching & supervision of junior medical staff and medical students in the clinical environment.
- Conduct of research and clinical audit
- The incumbent is required to work as part of a multi-disciplinary academic and clinical team.

Key Relationships/ Interactions:

Supervisor’s Position: Supervisor of Trainee (SOT)
Supervisor report to: Director of Pain Management Unit +/- college
Director of Pain Management Unit report to: Director of Anaesthesia & Pain Management +/- college
Subject Position: Pain Management Trainee (Advance)
Positions supervised:
Directly: RMOs and medical students
Indirectly:
Other Positions Reporting to the Supervisor:
Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Performance Development

Performance Appraisal: The incumbent will be required to participate in formal and informal performance appraisal in accordance to FFPMANZCA training guidelines. The performance appraisal will be carried out by the Supervisor of Training (SOT). This will be feedback to Director of Pain Management Unit and college

General Requirements:

- Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Policies and Procedures and legislative requirements including but not limited to:
- *Work Health and Safety Act 2012 (SA)* and when relevant WHS Defined Officers must meet due diligence requirements.
- *Return to Work Act 2014 (SA)*, facilitating the recovery, maintenance or early return to work of employees with work related injury / illness.
- Meet immunisation requirements as outlined by the *Immunisation Guidelines for Health Care Workers in South Australia 2014*.
- Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).
- *Children’s Protection Act 1993 (Cth) – ‘Notification of Abuse or Neglect’.*
- Disability Discrimination.
- Information Privacy Principles.
- Relevant Australian Standards.
- Duty to maintain confidentiality.
- Smoke Free Workplace.
- To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- Applying the principles of the South Australian Government’s Risk Management Policy to work as appropriate.

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.
Special Conditions:

> Job and Person Specifications are reviewed regularly as part of the ongoing Performance Development process.
> May be required to work within other locations of the Southern Adelaide LHN.
> Some out of hours work may be required.
> Support values consistent with the aims of SA Health and the LHN, including honesty, respect and integrity.
> May be required to undertake a health assessment prior to commencement.
> Appointment will be subject to a satisfactory Department of Communities and Social Inclusion (DCSI) Criminal History Check.
> Comply with the Principles of the Code of Fair Information Practice, adopted by the Department of Health, which regulate the collection, use, disclosure, storage and transfer of all personal patient/client information within the Department and throughout its funded service providers.

STATEMENT OF KEY OUTCOMES AND ASSOCIATED ACTIVITIES

KEY OUTCOMES

Responsibilities:

Provide a high quality clinical service under the direction of the Director, Pain Management Unit by:
- Providing appropriate clinical care to patients

• Prior experience in pain management (interventional pain management, complex pharmacological pain management and psychological techniques of pain management)

Knowledge

• Knowledge of research principles

Educational/Vocational Qualifications

• Completion of primary specialty but consideration can be given for applicants who chose this as elective year, if deemed appropriate by their primary specialty.

Organisational Context

Organisational Overview:
Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socio economic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

Our Legal Entities:
SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women’s and Children’s Health Network, Country Health SA Local Health Network and SA Ambulance Service.

SA Health Challenges:
The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian’s have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/Division/Department:
The Southern Adelaide Local Health Network (LHN) provides care for around 341,000 people living in the southern metropolitan area of Adelaide as well as providing a number of state-wide services, and services to those in regional areas. More than 7,000 skilled staff provides high quality patient care, education, research and health promoting services.

Southern Adelaide LHN provides a range of acute and sub-acute health services for people of all ages, and has three hospitals, Flinders Medical Centre, Noarlunga Hospital and the Repatriation General Hospital.

Southern Adelaide LHN Intermediate Care Services will deliver multi-disciplinary clinical care, addressing complexity through targeted approaches to complex chronic disease management in the community, and supported hospital discharge and avoidance programs. There is a key focus on building partnerships across the care continuum supporting interfaces between acute sites, GPs, Primary Care and Community based services.
Mental Health Services provides a range of integrated services across community and hospital settings, targeted at all age groups, in collaboration with non-Government organisations and Adelaide Primary Health Network.

Values

**SA Health Values**
The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- We are committed to the values of integrity, respect and accountability.
- We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

**Code of Ethics**
The Code of Ethics for the South Australian Public Sector provides an ethical framework for the public sector and applies to all public service employees; it sets out the South Australian Public Sector values as:

- Service – Proudly serve the community and Government of South Australia.
- Professionalism – Strive for excellence.
- Trust – Have confidence in the ability of others.
- Respect – Value every individual.
- Collaboration & engagement – Create solutions together.
- Honesty & integrity – Act truthfully, consistently, and fairly.
- Courage & tenacity- Never give up.
- Sustainability – Work to get the best results for current and future generations of South Australians.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.

**Domestic and Family Violence**
The Southern Adelaide Local Health Network (SALHN) recognises the devastating impact domestic or family violence can have on the lives of those who experience abuse and are committed to supporting employees who experience domestic or family violence by providing a workplace environment that provides flexibility and supports their safety.

**SALHN Vision**
We believe in providing the standard of health care that we desire for our own families and friends.

**SALHN core value TRUST**
Building positive relationships; with our patients, employees and partners.

**Approvals**
