ROLE DESCRIPTION

Role Title: Nurse Unit Manager
Classification Code: Registered Nurse/Midwife Level 3
LHN/ HN/ SAAS/ DHA: SALHN
Hospital/ Service/ Cluster: FMC
Division: Perioperative Services
Department/Section / Unit/ Ward: Operating Theatre
Role reports to: Nursing Director Perioperative Services
Role Created/ Reviewed Date: March 2017

Criminal History Clearance Requirements:
- ☐ Aged (NPC)
- ☑ Child- Prescribed (DCSI)
- ☐ Vulnerable (NPC)
- ☑ General Probity (NPC)

ROLE CONTEXT

Primary Objective(s) of role:

In the course of fulfilling the role of Nurse Unit Manager of the 7 day circulating/ instrument nurse team the nurse utilises their clinical knowledge and experience to provide the pivotal co-ordination of patient/client care delivery in Perioperative Nursing at Flinders Medical Centre. The main focus of this role is the line management, coordination and leadership of nursing and or midwifery team activities to achieve continuity and quality of patient/client care.

The Nurse Unit Manager is accountable for the delivery of high quality nursing care which is consistent with the Department of Health quality framework. Employees in this role accept accountability for the outcomes of nursing practices in Perioperative Nursing for addressing inconsistencies between practice and policy; and for developing team performance and a positive work culture in the interest of patient/client outcomes.

The Perioperative Nurse Unit Manager undertakes a combination of patient care area/ team leadership and resource management.

Employees classified at this level use their clinical knowledge and experience to provide the pivotal co-ordination of patient/client care delivery in a patient/client care area within a Health Unit/Community Service. The main focus of this role is the line management, coordination and leadership of nursing/midwifery and/or multi-disciplinary team activities to achieve continuity and quality of patient/client care and outcomes.

Employees in this role accept accountability for the outcomes of nursing/midwifery practices and/or multidisciplinary outcomes in the specific practice setting; for addressing inconsistencies between practice and policy; and for developing team performance and a positive work culture in the interest of patient/client outcomes.

Direct Reports:
Direct reports to this position include

- Level 1 & 2 RN/Ms
- Enrolled Nurses
- Ancillary staff

This position reports to the Nursing Director of Perioperative Services.

### Key Relationships/ Interactions:

**Internal**

- Maintains close collaborative working relationships with all level 3 and level 4 Nurses/ Midwives.
- Provides direct line report and maintains a close working relationship with the Associate Nurse/Midwife Unit Manager (Level 2) and the Clinical Nurse/Midwife (Level 2).
- Provides direct line report and maintains cooperative and productive working relationships within all members of the health care team.
- Provides direct line report and maintains develops, supports and works collaboratively with less experienced members of the nursing/midwifery team.
- Collaborative working relationships with the multidisciplinary team and people and culture consultants.

**External**

- Maintains relationships with non-government organisations or other government organisations.

### Challenges associated with Role:

Major challenges currently associated with the role include:

- Relevant Australian Standards.
- Duty to maintain confidentiality.
- **Smoke Free Workplace**.
- To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- Applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.
- **Health Practitioner Regulation National Law (South Australia) Act 2010**
- **Mental Health Act 2009 (SA) and Regulations**
- **Controlled Substances Act 1984 (SA) and Regulations**
- The Nursing and Midwifery Board of Australia Registration Standards (including the Guidelines and Assessment Frameworks for Registration Standards)
- The Nursing and Midwifery Board of Australia Professional Practice Codes and Guidelines (including Competency Standards, Codes of Ethics and Professional Conduct, Decision Making Framework and Professional Boundaries)
- Professional Practice Standards and competencies consistent with area of practice as varied from time to time
- SALHN policies, procedures and standards

**Handling of Official Information:**
By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men’s violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Special Conditions:

*NB Reference to legislation, policies and procedures includes any superseding versions

- Meet immunisation requirements as outlined by the Immunisation Guidelines for Health Care Workers in South Australia 2014 specific to the role.
- It is mandatory that no person, whether or not currently working in SA Health, will be eligible for appointment to a position in SA Health unless they have obtained a satisfactory Background Screening and National Criminal History Clearance.
- Prescribed Positions under the Children’s Protection Act (1993) must obtain a satisfactory Background Screening and National Criminal History Clearance through the Screening and Licensing Unit, Department for Communities and Social Inclusion.
- Background Screening and National Criminal History Clearances must be renewed every 3 years thereafter from date of issue for ‘Prescribed Positions’ under the Children’s Protection Act 1993 (Cth) or ‘Approved Aged Care Provider Positions’ as defined under the Accountability Principles 1998 made in pursuant to the Aged Care Act 2007 (Cth).
- Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary basis subject to relevant provisions of the Public Sector Act 2009 for Public Sector employees or the SA Health (Health Care Act) Human Resources Manual for Health Care Act employees.
- The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.

Organisational Context

Organisational Overview:
Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

Our Legal Entities:
SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women’s and Children’s Health Network, Country Health SA Local Health Network and SA Ambulance Service.

SA Health Challenges:
The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian’s have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:
SALHN’s SAPOM offers a diverse range of surgical specialities across two campuses FMC, and NH. Surgical specialities are provided in both elective (all sites) and emergency (FMC only) surgical care.
The surgical Specialty Units involved in this service include:
- Orthopaedics
- Urology
- General Surgery including Oesophagogastric Surgery and Colorectal Surgery
- Plastics and Reconstructive surgery
- Vascular surgery
- Gynaecology
- Endoscopy/Gastroenterology/ Investigational Procedure Unit,
- Ophthalmology and
  Gynaecology (Women’s and Children’s Division)

SAPOM services include both emergency (FMC only) and elective surgery providing:
- Multi-day overnight bed stay.
- 23 hour surgical procedures
- same day surgical procedures
Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

> We are committed to the values of integrity, respect and accountability.
> We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
> We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The Code of Ethics for the South Australian Public Sector provides an ethical framework for the public sector and applies to all public service employees:

> Democratic Values - Helping the government, under the law to serve the people of South Australia.
> Service, Respect and Courtesy - Serving the people of South Australia.
> Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
> Accountability- Holding ourselves accountable for everything we do.
> Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
